DVMS Dragons:

Arizona schools have been directed by the Governor and AZ Department of Education to provide free on-site support services, for students who need them, beginning on Monday, August 17th.

- DVMS is offering a safe space, The Den, for those students who are unable to work at home. Dragons will be provided a secure, supervised environment to complete class assignments. The safe space is NOT teacher led instruction. Students will log in to their class Zoom meetings and assignments with their classroom teacher throughout the day. Breaks and a time for lunch will be provided. Students need to bring their own lunch from home. Students will need to bring their own snacks and a refillable water bottle on a daily basis.
- The Den will be open during regular school hours; 9:00AM-4:00PM Monday through Friday. Dragons are required to wear a face covering and are expected to wear their DVMS uniforms when on campus.
- To ensure the safety of our students and staff that are using the school as a safe space we have partnered with Healthy Verify.
 - HealthyVerify has partnered with Arizona State University to reduce the workplace risk of spreading infectious diseases.
