Once you have Registered/Created your account, you are now ready to create a Student (Child) Profile.

- Click on the **Children** tab on the left navigation panel
- And then click on **Add Child** on the top right

This should bring you to a pop-up screen to add your child. You will need a Campus code, which is provided below. Complete the information on the popup.

- **Campus Code.** If your student goes to:
  - Desert View Academy, your code is **DVA**
  - Desert View Middle School, your code is **DVMS**
- We currently only offer large meals, so click on large meals
- Allergens - If your student is allergic to certain items please check them here.

Hit **“Create”** to add a child and repeat the process for multiple children.

Now you are ready to order. See the guide on **Placing An Order**.
