School Dress Code Policy

Public school education is considered formal education and students should dress appropriately. Dress and hairstyles, within the prevailing rules of modesty, decency, safety, and health, are the responsibility of the student and his/her parent/guardian. Student dress must not distract the student or others from the educational process.

Student uniforms will be worn at all times, and must be neat and clean while attending classes and school functions. Untucked shirts must be acceptable in length, and pants pulled up to normal waist height.

Students must wear authorized uniform bottoms to include pants, shorts, appropriate length skirts, skorts and shorts, or capri pants. Clothing that is too large, tight, or may be considered gang related will not be allowed.

Shoes must be closed-toed and closed-heeled. All shoes must have a hard sole. Students wearing house shoes, flip flops or open toed shoes will be required to call parent/guardian to bring them appropriate footwear.

Final discretion will be given to the administration, as the administration holds final decision making authority as it pertains to dress code.
